Attendance:

A child's prompt and regular attendance is very important to their success in class. Please try to have your kids here by 8:10, that is when we start our mornings. The students will be participating in the school assembly every morning where we will also discuss our character trait of the month. Please be sure that your student is on time in order to participate in the morning assembly and class activities.

At Home Learning Activities:

Reading at Home-

Read just-right books every night — (parents you may also read to your student)

Accelerated Reader goal (Grades 1-3). Take a look at my class website for more information and a 2nd grade reading AR reading list.

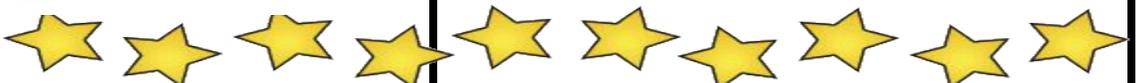

Math at Home-

Please have your students participate in Math application in real life context (cooking, measuring, etc.)

Announcements:

Please be sure to check your email and our class website for announcements and updates on our class!

More Information

THE BOY

Management

Our class will be working together to ensure that we can all be engaged in the class with a positive reinforcement! In our class we will have jobs and duties and we will have a class economy. The students are able to earn money by completing their duties, this is something that always motivates students. I will also be passing out class money to students who are displaying the character trait that we are looking at for each month. I know your students will not have any problem receiving these and I look forward to acknowledging their positive behavior!

Character

We will be having monthly character traits that we will be focusing on and teaching in class and as a school. As part of my class I want to be sure to reward students who are demonstrating our character trait of the month. As a school we will have monthly character assemblies and the students will also be receiving acknowledgement for positive behavior in the class. It is my hope to enforce these character traits through positive reinforcement. I will be sure to send you what our new character trait is for each month. Be sure to ask your students about it and please let me know if you see them displaying any of our character traits at home as I would love to acknowledge that positive behavior.

THANK YOU!

IRON MAN

Snack & Lunch

We will be having both a snack time and lunch. Please be sure that your student has a healthy snack for the morning recess! Due to the heat, if possible, please have your student bring in a water bottle, preferably one that can be reused/refilled that they will be able to have with them throughout the day.

Thank You!

Thank you for looking over this welcome packet! I am very excited to get to know your students and as mentioned, cannot wait to see them learn and grow. We are going to have a fantastic school year! Again, please feel free to contact me if you have any questions, communication is key in our class!

IT'S NOT WHO I AM UNDERNEATH, BUT WHAT I DO THAT DEFINES ME.
